

North Linn Lynx Activities Season Passes and Ticketing 2025-26 School Year

North Linn Athletics – New Ticketing System Announcement

Effective Fall 2025 Season

The Tri-Rivers Conference has approved an increase in activity ticket prices to **\$7 per event**. This change was made to help schools address rising costs associated with uniforms, game equipment, officials' fees, etc.

As part of this change, North Linn and the majority of schools in the conference will transition to an online ticketing system through the Bound platform. This new system is designed to streamline the ticketing process and improve convenience for fans along with game workers and administrators.

Key Details:

- **Online Ticketing:** Tickets for all North Linn home events will be available for purchase on the Bound platform or using a debit/credit card the day of the event. North Linn will still accept cash at the gate for the 25-26 season as we transition to an online system, but exact change is required. No change will be available at the event.
- **Season Passes:** Fans will also be able to purchase season passes through Bound. Passes can be purchased in one of the following ways:
 - Online by visiting this website: [NORTH LINN SEASON PASSES](#). You will receive a QR Code via email after purchase. This code can be printed off and used as your pass. It may be helpful to laminate this pass also if you so choose this option.
 - Passes can also be purchased through the Bound app. This article shows helpful hints in purchasing through the app: [BOUND SEASON PASS & GAME TICKET PURCHASE](#). Tickets and passes will be available to scan for entry on the app after purchase.
 - NOTE: Make sure you are signed into your Bound account using the same email address, whether purchasing online or through the app
- **Senior Citizens:** Senior Citizen passes are still available free of charge. Contact Dawn Dvorak at the District Office to order: 319-224-3291 ext 4 or ddvorak@northlinncsd.org
