Pick up / Drop off Information

Morning bus drop off will continue to be on the north side of the buildings. Buses will be dropping off students in two locations. The U shaped drive at the back of the Elementary for PS – 5 grade and along the north sidewalk near the High School gym entrance for 6 – 12 grade. Parents should continue to drop off students in the front of the buildings. This should eliminate traffic congestion and confusion in the mornings. The bus pickup procedure in the afternoon **will remain the same** with buses loading in the front of the buildings. Parents are expected to wait for buses to load students and exit the lot **before** picking up their students.

Thank you for helping keep our students safe!
