Pursuant with Iowa Code Chapter 280.7A

To the Parent or Guardian: The Iowa Optometric Association strongly recommends that to fully assess the health of your child's visual system and prevent future learning problems associated with undetected vision problems, regular professional eye exams are essential. Experts estimate that 80% of learning is obtained through vision. **If you choose to** take your child to an eye care professional for a comprehensive eye exam, this side of the form should be filled out and signed by the eye care professional and returned to the school nurse or teacher by your child.
